# What is SCORES Cup?

America SCORES is proud to host the *world's largest annual corporate charity soccer tournament series, the SCORES Cup*, which has run for the past 15+ years across our 13 cities in North America.

**With over 350 corporations having previously participated**, and run in partnership with many Major League Soccer (MLS) and National Women's Soccer League (NWSL) teams, our premier corporate soccer tournaments **raise on average \$1.5 million for SCORES programming each year**, one of the drivers for us being able to run **free programming for 13,000+ underserved youth every year**.

Corporate and independent teams meet in venues across North America such as Gillette Stadium (Boston) and the LAFC Training Ground (LA), playing to enable urban youth from under-resourced communities to lead healthy lives, become engaged students, and gain the confidence and character to make a difference in the world.

# Who has Previously Played in SCORES Cup?

Over the past 15+ years, over 350 corporations from a diverse range of industries have previously played in a SCORES Cup, including:

**Deloitte.**
